## Regional Planning Position

---

Planning and Development District III is seeking Community Development Specialist applicants. This position will emphasize land use planning and regulation support to municipal, county, and Tribal governments in a 15-county area of southeastern South Dakota. Superior candidates must have direct experience or a strong interest in preparing and implementing zoning, subdivision, and drainage ordinances. Familiarity with federal economic and community development programs will also be beneficial. A full job description is available at [districtiii.org](http://districtiii.org).

The position requires a Bachelor's Degree, with coursework or professional experience in planning related fields. The successful applicant must also possess excellent communication skills and proficiency in utilizing common office computer software.

The competitive compensation and benefit package includes: an attractive salary, based upon qualifications; South Dakota State Retirement program; health and life insurance; and generous annual, personal, and sick leave accruals. District III offers a positive, rewarding work environment and the opportunity to make meaningful contributions to a wide variety of rural development initiatives and projects.

Interested persons must submit a resume and two work related references to:

Greg Henderson, Director  
Planning & Development District III  
1808 Summit St.  
PO Box 687  
Yankton, SD 57078  
[districtiii.org@districtiii.org](mailto:districtiii.org@districtiii.org)

Contact Greg Henderson by email or call (605) 665-4408 with questions. Submission deadline is 5:00 p.m. Friday, October 11, 2019.

*Planning and Development District III is an Equal Opportunity Employer.*
